INDEX

compiled by PETER HAMILTON CURRIE

Lodges, chapters, etc., are under the English Constitution unless otherwise designated and, unless a location is given, are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and cross-references are made where appropriate. * against an English lodge number indicates that it derives from a period before the final numbering of 1863 and, unless otherwise noted, that the lodge has been erased or united with another, or is no longer on the English register. Self-evidently, the numbers of lodges under the Antient Grand Lodge do not need to be so distinguished.

Page numbers in bold type denote the more important references; page numbers in *italics* denote illustrations or their captions; *passim* (e.g. 40–50 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; q. stands for 'quoted'; n (or nn) refers to footnotes, now collected at the end of the relevant paper (or comment on a paper).

Other abbreviations used: Ch. – Chapter; Dep – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L. – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. *AQC* refers to the transactions of Quatuor Coronati Lodge (*Ars Quatuor Coronatorum*).

In connection with dates: b. – born; d. – died; *fl.* (*floruit*) – 'flourished', i.e., is known to have been alive; init. – initiated.

+ distinguishes a former or present member of Quatuor Coronati Lodge.

INDEX

compiled by PETER HAMILTON CURRIE
Member of the Society of Indexers

Lodges, chapters, etc., are under the English Constitution unless otherwise designated and, unless a location is given, are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and cross-references are made where appropriate. * against an English lodge number indicates that it derives from a period before the final numbering of 1863 and, unless otherwise noted, that the lodge has been erased or united with another, or is no longer on the English register. Self-evidently, the numbers of lodges under the Antient Grand Lodge do not need to be so distinguished.

Page numbers in bold type denote the more important references; page numbers in *italics* denote illustrations or their captions; *passim* (e.g. 40–50 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; q. stands for 'quoted'; n (or nn) refers to footnotes, now collected at the end of the relevant paper (or comment on a paper).

Other abbreviations used: Ch. – Chapter; Dep – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L. – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. *AQC* refers to the transactions of Quatuor Coronati Lodge (*Ars Quatuor Coronatorum*).

In connection with dates: b. – born; d. – died; *fl.* (*floruit*) – 'flourished', i.e., is known to have been alive; init. – initiated. + distinguishes a former or present member of Quatuor Coronati Lodge.

INDEX

Compiled by PETER HAMILTON CURRIE

Member of the Society of Indexers

Lodges, chapters, etc., are under the English Constitution unless otherwise designated and, unless a location is given, are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and cross-references are made where appropriate. * against an English lodge number indicates that it derives from a period before the final numbering of 1863 and, unless otherwise noted, that the lodge has been erased or united with another, or is no longer on the English register. Self-evidently, the numbers of lodges under the Antient Grand Lodge do not need to be so distinguished.

Page numbers in bold type denote the more important references; page numbers in *italics* denote illustrations or their captions; *passim* (e.g. 40–50 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; q. stands for 'quoted'; n (or nn) refers to footnotes, now collected at the end of the relevant paper (or comment on a paper).

Other abbreviations used: Ch. – Chapter; Dep – Deputy; Dist – District; EC – English Constitution; Fmry – Freemasonry; GL – Grand Lodge; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. *AQC* refers to the transactions of Quatuor Coronati Lodge (*Ars Quatuor Coronatorum*).

In connection with dates: d. – born; d. – died, *fl.* (*floruit*) – 'flourished', i.e., is known to have been alive; init. – initiated.

+ distinguishes a former or present member of Quatuor Coronati Lodge.

INDEX

Compiled by PETER HAMILTON CURRIE
Member of the Society of Indexers

Lodges, chapters, etc., are under the English Constitution unless otherwise designated and, unless a location is given, are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and cross-references are made where appropriate. * against an English lodge number indicates that it derives from a period before the final numbering of 1863 and, unless otherwise noted, that the lodge has been erased or united with another, or is no longer on the English register. Self-evidently, the numbers of lodges under the Antient Grand Lodge do not need to be so distinguished.

Page numbers in bold type denote the more important references; page numbers in *italics* denote illustrations or their captions; *passim* (e.g. 40-50 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; q. stands for 'quoted'; n (or nn) refers to footnotes, now collected at the end of the relevant paper (or comment on a paper).

Other abbreviations used: Ch. - Chapter; Dep - Deputy; Dist - District; EC - English Constitution; Fmy - Freemasonry; GL - Grand Lodge; GM - Grand Master; GMM - Grand Master Mason; KT - Knight(s) Templar; L - Lodge; Pr (or Prov) - Provincial; RA - Royal Arch; SGComdr - Sovereign Grand Commander; SC - Supreme Council. *AQC* refers to the transactions of Quatuor Coronati Lodge (*Ars Quatuor Coronatorum*).

In connection with dates: b. - born; d. - died; *fl.* (*floruit*) - 'flourished', i.e., is known to have been alive; init. - initiated. + distinguishes a former or present member of Quatuor Coronati Lodge.

INDEX

Compiled by PETER HAMILTON CURRIE
Member of the Society of Indexers

Lodges, chapters etc., are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. * against an English lodge number indicates that it derives from a period before the final numbering of 1863 and, unless otherwise noted, that the lodge has been erased or united with another, or is no longer on the English register. Self-evidently, the numbers of lodges under the Antient Grand Lodge do not need to be so distinguished.

Page numbers in bold type denote the more important references; page numbers in *italics* denote illustrations or their captions; *passim* (e.g. 29–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; *q* stands for 'quoted'; *n* refers to footnotes, now collected at the end of the relevant paper (or comment on a paper).

Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. AQC refers to the transactions of Quatuor Coronati Lodge (*Ars Quatuor Coronatorum*).

In connection with dates: *b* – born; *d* – died; *f* (*floruit*) – 'flourished', i.e. is known to have been alive; *init.* – initiated; *c* (*circa*) – about (this date).

+ distinguishes a former or present member of Quatuor Coronati Lodge.

INDEX

Compiled by PETER HAMILTON CURRIE
Member of the Society of Indexers

Lodges, chapters etc., are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. * against an English lodge number indicates that it derives from a period before the final numbering of 1863 and, unless otherwise noted, that the lodge has been erased or united with another, or is no longer on the English register. Self-evidently, the numbers of lodges under the Antient Grand Lodge do not need to be so distinguished.

Page numbers in bold type denote the more important references; page numbers in *italics* denote illustrations or their captions; *passim* (e.g. 29–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; *q* stands for 'quoted'; *n* refers to footnotes, now collected at the end of the relevant paper (or comment on a paper), and *bibl* to bibliography, if included.

Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. *AQC* refers to the transactions of Quatuor Coronati Lodge (*Ars Quatuor Coronatorum*).

In connection with dates: *b* – born; *d* – died; *fl* (*floruit*) – 'flourished', i.e. is known to have been alive; *init.* – initiated; *c* (*circa*) – about (this date).

+ distinguishes a former or present member of Quatuor Coronati Lodge.

INDEX

Compiled by PETER HAMILTON CURRIE Member of the Society of Indexers

Lodges, chapters etc., are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. * against an English lodge number indicates that it derives from a period before the final numbering of 1863 and, unless otherwise noted, that the lodge has been erased or united with another, or is no longer on the English register. Self-evidently, the numbers of lodges under the Antient Grand Lodge do not need to be so distinguished.

Page numbers in bold type denote the more important references; page numbers in *italics* denote illustrations or their captions; *passim* (e.g. 29–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; *q* stands for 'quoted'; *n* refers to footnotes, now collected at the end of the relevant paper (or comment on a paper), and *bibl* to bibliography, if included.

Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. *AQC* refers to the transactions of Quatuor Coronati Lodge (*Ars Quatuor Coronatorum*).

In connection with dates: *b* – born; *d* – died; *fl* (*floruit*) – 'flourished', i.e. is known to have been alive; *init.* – initiated; *c* (*circa*) – about (this date).

+ distinguishes a former or present member of Quatuor Coronati Lodge.

INDEX

Compiled by V. SPELLER

Member of the Society of Indexers

Lodges, chapters etc., are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. * against an English lodge number indicates that it derives from a period before the final numbering of 1863 and, unless otherwise noted, that the lodge has been erased or united with another, or is no longer on the English register. Self-evidently, the numbers of lodges under the Antient Grand Lodge do not need to be so distinguished.

Page numbers in bold type denote the more important references; page numbers in *italics* denote illustrations or their captions; *passim* (e.g. 29–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; *q* stands for 'quoted'; *n* refers to footnotes, now collected at the end of the relevant paper (or comment on a paper), and *bibl* to bibliography, if included.

Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; PR (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. *AQC* refers to the transactions of Quatuor Coronati Lodge (*Ars Quatuor Coronatorum*).

In connection with dates: *b* – born; *d* – died; *fl* (*floruit*) – 'flourished', i.e. is known to have been alive; *init*. – initiated; *c* (*circa*) – about (this date).

+ distinguishes a former or present member of Quatuor Coronati Lodge.

INDEX

Compiled by PETER HAMILTON CURRIE
Member of the Society of Indexers

Lodges, chapters etc., are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. * against an English lodge number indicates that it derives from a period before the final numbering of 1863 and, unless otherwise noted, that the lodge has been erased or united with another, or is no longer on the English register. Self-evidently, the numbers of lodges under the Antient Grand Lodge do not need to be so distinguished.

Page numbers in bold type denote the more important references; page numbers in *italics* denote illustrations or their captions; *passim* (e.g. 29–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; *q* stands for 'quoted'; *n* refers to footnotes, now collected at the end of the relevant paper (or comment on a paper), and *bibl* to bibliography, if included.

Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. *AQC* refers to the transactions of Quatuor Coronati Lodge (*Ars Quatuor Coronatorum*).

In connection with dates: *b* – born; *d* – died; *fl* (*floruit*) – 'flourished', i.e. is known to have been alive; *init.* – initiated; *c* (*circa*) – about (this date).

+ distinguishes a former or present member of Quatuor Coronati Lodge.

Lodges, chapters etc., are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. * against an English lodge number indicates that it derives from a period before the final numbering of 1863 and, unless otherwise noted, that the lodge has been erased or united with another, or is no longer on the English register. Self-evidently, the numbers of lodges under the Antient Grand Lodge do not need to be so distinguished.

Page numbers in bold type denote the more important references; page numbers in *italics* denote illustrations or their captions; *passim* (e.g. 29–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; *q* stands for 'quoted'; *n* refers to footnotes, now collected at the end of the relevant paper (or comment on a paper), and *bibl* to bibliography, if included.

Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; PR (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. *AQC* refers to the transactions of Quatuor Coronati Lodge (*Ars Quatuor Coronatorum*).

In connection with dates: *b* – born; *d* – died; *fl* (*floruit*) – 'flourished', i.e. is known to have been alive; *init.* – initiated; *c* (*circa*) – about (this date).

+ distinguishes a former or present member of Quatuor Coronati Lodge.

INDEX

Compiled by PETER HAMILTON CURRIE
Member of the Society of Indexers

Lodges, chapters etc., are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. * against an English lodge number indicates that it derives from a period before the final numbering of 1863 and, unless otherwise noted, that the lodge has been erased or united with another, or is no longer on the English register. Self-evidently, the numbers of lodges under the Antient Grand Lodge do not need to be so distinguished.

Page numbers in bold type denote the more important references; page numbers in *italics* denote illustrations or their captions; *passim* (e.g. 29–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; *q* stands for 'quoted'; *n* refers to footnotes, now collected at the end of the relevant paper (or comment on a paper), and *bibl* to bibliography, if included.

Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. *AQC* refers to the transactions of Quatuor Coronati Lodge (*Ars Quatuor Coronatorum*).

In connection with dates: *b* – born; *d* – died; *fl* (*floruit*) – 'flourished', i.e. is known to have been alive; *init.* – initiated; *c* (*circa*) – about (this date).

+ distinguishes a former or present member of Quatuor Coronati Lodge.

INDEX

Compiled by PETER HAMILTON CURRIE
Member of the Society of Indexers

Lodges, chapters etc., are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. * against an English lodge number indicates that it derives from a period before the final numbering of 1863 and, unless otherwise noted, that the lodge has been erased or united with another, or is no longer on the English register. Self-evidently, the numbers of lodges under the Antient Grand Lodge do not need to be so distinguished.

Page numbers in bold type denote the more important references; page numbers in *italics* denote illustrations or their captions; *passim* (e.g. 29–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; *q* stands for 'quoted'; *n* refers to footnotes, now collected at the end of the relevant paper (or comment on a paper), and *bibl* to bibliography, if included.

Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. *AQC* refers to the transactions of Quatuor Coronati Lodge (*Ars Quatuor Coronatorum*).

In connection with dates: *b* – born; *d* – died; *fl* (*floruit*) – 'flourished', i.e. is known to have been alive; *init.* – initiated; *c* (*circa*) – about (this date).

+ distinguishes a former or present member of Quatuor Coronati Lodge.

Lodges, chapters etc., are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. Page numbers in bold type denote the more important references; page numbers in *italics* denote illustrations or their captions; *passim* (e.g. 29–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; *q* stands for 'quoted'; *n* refers to footnotes, now collected at the end of the relevant paper (or comment on a paper), and *bibl* to bibliography, if included. Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. *AQC* refers to the *Transactions of the Quatuor Coronati Lodge (Ars Quatuor Coronatorum)*. In connection with dates: *b* – born; *d* – died; *fl* (*floruit*) – 'flourished', i.e. is known to have been alive; *init.* – initiated; *c* (*circa*) – about (this date). + distinguishes a former or present member of the *Quatuor Coronati Lodge*.

Lodges, chapters etc., are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution and (A) to the Antients. (NY) stands for New York and (NZC) for the New Zealand Constitution. Cross-references are made where appropriate. Page numbers in bold type denote the more important references; page numbers in italics denote illustrations or their captions; *passim* (e.g. 29–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; **q** stands for 'quoted'; **n** refers to footnotes, now collected at the end of the relevant paper (or comment on a paper), and bibl. to bibliography, if included. Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. *AQC* refers to the *Transactions* of the *Quatuor Coronati* Lodge (*Ars Quatuor Coronatorum*). Lodges, chapters, etc. are under the English Constitution unless otherwise designated and, unless a location is given are (or were of London). (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution and (A) to the Antients. (NY) stands for New York, (NZC) for the New Zealand Constitution, etc. Lodges, chapters, etc. still in existence are in most cases indexed under their modern titles, numbers, and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. *Passim* (e.g. 20–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; q stands for ‘quoted’; n refers to footnotes, and bibl. to bibliography, if included. Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand commander; SC – Supreme Council. *AQC* refers to *Ars Quatuor Coronatorum, Transactions of the Quatuor Coronati Lodge*. In connection with dates: b – born; *fl* (*floruit*) – flourished, i.e. is known to have been alive; init. – initiated; *c* (*circa*) – about (this date). + distinguishes a former or present member of the Quatuor Coronati Lodge No. 2076.

Lodges, chapters, etc. are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution, (A) to the Antients, (NZC) to the New Zealand Constitution, and so on. Lodges, chapters, etc. still in existence are in most cases indexed under their modern titles, numbers, and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. *Passim* (e.g. 20–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; q stands for ‘quoted’; n refers to footnotes, and bibl. to bibliography, if included. Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; Fmy – Freemasonry; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand commander; SC – Supreme Council. *AQC* refers to *Ars Quatuor Coronatorum, Transactions of the Quatuor Coronati Lodge*. In connection with dates: b – born; *fl* (*floruit*) – flourished, i.e. is known to have been alive; init. – initiated; *c* (*circa*) – about (this date). + distinguishes a former or present member of the Quatuor Coronati Lodge No. 2076.

Lodges, chapters, etc. are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution, (A) to the Antients, (NZC) to the New Zealand Constitution, and so on. Lodges, chapters, etc. still in existence are in most cases indexed under their modern titles, numbers, and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. *Passim* (e.g. 20–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; q stands for ‘quoted’; n refers to footnotes, and bibl. to bibliography, if included. Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand Commander; SC – Supreme Council. *AQC* refers to *Ars Quatuor Coronatorum, Transactions of the Quatuor Coronati Lodge*. In connection with dates: b – born; *fl* (*floruit*) – flourished, i.e. is known to have been alive; init. – initiated; *c* (*circa*) – about (this date). + distinguishes a former or present member of the Quatuor Coronati Lodge No. 2076.

Lodges, chapters, etc. are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution, (A) to the Antients, (NZC) to the New Zealand Constitution, and so on. Lodges, chapters, etc. still in existence are in most cases indexed under their modern titles, numbers, and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. *Passim* (e.g. 20–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; q stands for ‘quoted’; n refers to footnotes, and bibl. to bibliography, if included. Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand commander; SC – Supreme Council. *AQC* refers to *Ars Quatuor Coronatorum, Transactions of the Quatuor Coronati Lodge*. In connection with dates: b – born; *fl* (*floruit*) – flourished, i.e. is known to have been alive; init. – initiated; *c* (*circa*) – about (this date). + distinguishes a former or present member of the Quatuor Coronati Lodge No. 2076.

Bro. Dr S. Brent Morris

Lodges, chapters, etc. are under the English Constitution unless otherwise designated and, unless a location is given are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish Constitution, (A) to the Antients, (NZC) to the New Zealand Constitution, and so on. Lodges, chapters, etc. still in existence are in most cases indexed under their modern titles, numbers, and Constitutions, and listed alphabetically under the appropriate heading. Cross-references are made where appropriate. *Passim* (e.g. 20–35 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; q stands for ‘quoted’; n refers to footnotes, and bibl. to bibliography, if included. Other abbreviations used: Ch – Chapter; D – Deputy; Dist – District; GL – Grand Lodge; GO – Grand Orient; GE – Grand East; GM – Grand Master; GMM – Grand Master Mason; KT – Knight(s) Templar; L – Lodge; Pr (or Prov) – Provincial; RA – Royal Arch; SGComdr – Sovereign Grand commander; SC – Supreme Council. *AQC* refers to *Ars Quatuor Coronatorum, Transactions of the Quatuor Coronati Lodge*. In connection with dates: b – born; *fl* (*floruit*) – flourished, i.e. is known to have been alive; init. – initiated; *c* (*circa*) – about (this date). + distinguishes a former or present member of the Quatuor Coronati Lodge No. 2076.
