Ars Quatuor Coronatorum

The Transactions of the Quatuor Coronati Lodge No. 2076

Ars Quatuor Coronatorum (AQC) Index
'The Verdeso Index Plus'

Volumes 1 (1888) to 127 (2014)

Introduction
For many years Bro Svend Aage Verdeso of Denmark gave up his time to produce an index of the contents of AQC. Sadly he passed to the Grand Lodge above and the final Index he produced included everything up to Volume 122 (2009) and there will sadly be no more updates.

Quatuor Coronati Lodge remembers Bro Verdeso's efforts of many years with respect.

Bro Verdeso's labours had taken him over many years, and thus over many variants of the software and even by his own admission the index was creaking at the software seams. Thus there are issues of the age and portability of what he built and also of how to maintain some form of working index.

Searching the Verdeso Index Plus
The index is provided in a pdf format which is of course easily searchable through the Acrobat top menu bar; click Edit and then click Advanced Search.
Items from volumes AQC 123 onwards will appear to be as printed in the Contents or Index to the volume; the volume number and year can be found at the bottom of the page.

How the Index has been updated
This is an interim measure which provides in one document a searchable source for all 127 volumes of AQC. All that has been done is to abstract the Contents page and Index pages from each of the most recent volumes and added them to the pdf created by Bro Verdeso. The intention is to continue doing this until a more permanent solution of better searchability can be achieved.

Enhanced Computer Correlated: AQC-INDEX for Vol.1 (1886) to Vol.122+ (2009)

Introduction:

Lodges (L.), chapters (Ch.), followed by its number, (*e.g.* L.2076), are usually under the English Constitution (EC) *[UGLE]* or *[PGL]* unless otherwise designated and, unless a location is given, are (or were) of London. (IC) refers to the Irish Constitution, (SC) to the Scottish and (A) or *[AGL]* to the Antients. (*UGL-NSW*) New South Wales & ACT, Australia and (NY) New York. (NZC) for New Zealand Constitution. (G) for one of the German Grand Lodges, past or present. (GRC) denotes the Grand Register of Canada, in Ontario. (*GLNF*) stands for *Grande Loge Nationale Française*. Lodges, chapters, etc., still in existence are in most cases indexed under their modern titles, numbers and Constitutions, and cross-references are made where appropriate. * against a Lodge or Chapter number indicates that it derives from a period before the English final numbering of 1863 and/or unless otherwise noted, that the Loge/Chapter has been erased or united with another, or is no longer on a National Register. Self-evidently, the numbers of lodges under the 'Antient' Grand Lodge *[AGL]* do not need to be so distinguished.

Page numbers in **bold** type denote the more important references; page numbers in ***italics*** denote illustrations or their captions; *passim* (e.g. 40-50 *passim*) conveys that the subject is referred to not continuously but in scattered passages throughout the pages; *q.* stands for 'quoted' and *q.v.* for '*quod vide*' (which see); *n* (or *nn*) refers to footnotes, normally collected at the end of the relevant paper (from Vol.88), (or comment on a paper); *bibl.* to bibliography, if included; *See:* other sources (books, etc.).

Other abbreviations used: Ch. = Chapter; *SKA* = Scandinavian; G.L. = Grand Lodge; GM = Grand Master; L. = Lodge; *OS* = *'Observantia Stricta'* Strict Observance; *PHA* = Prince Hall (USA Afro-American); *RA* = Royal Arch; *A&ASR* = Ancient & Accepted (Scottish) Rite; S.C. = Supreme Council 33º; *RER* = *'Régime Ecossais Rectifié'* Rectified Scottish Rite; *SJ* = Society of Jesuits (*RC*); *AQC* refers to the *Transactions* of Quatuor Coronati lodge *Ars Quatuor Coronatorum*, *WM* = Worshipful Master. ***[****Codes & info.****]*** added by the '***Correlating Bro.***' of this "***Bento***" *computer-search* **'Research Tool'.** - ***See also:*** Normal System/Rite (abbreviation), Code Lists (next page), and Ref. list of ***[MSS.]*** by WBro. Wallace E. McLeod (in *AQC* vol.99:**120-50**).

- In connection with dates: *b.* = born; *d.* = died; *fl. (floruit)* = 'flourished', i.e., is known to have been alive; init. = (*year*) initiated (in the 'Craft' masonry).

+ distinguishes a former or present member of Quatuor Coronati Lodge 2076. *(may not be complete!)*
