

QUATUOR CORONATI LODGE No. 2076

The Premier Lodge of Masonic Research - Consecrated 12 January 1886

Meeting at Freemasons' Hall, Great Queen Street, London WC2B 5AZ

on **Thursday, 15 February 2024**, at 4pm.

To receive and discuss a fascinating paper by Tim Blakemore

The Masonic Allusions in James Joyce's Ulysses

- ***Ulysses***, published in 1922, contains numerous references to Freemasonry. The central character is identified as a Freemason.
- Joyce's references suggest an empathy with Masonic values.
- Academic criticism of the novel provides an insight into contemporary attitudes towards Freemasonry which this paper explores.

Tim Blakemore is a former solicitor and Senior Lecturer in Law at the University of Northampton. He has a PhD in Early English Legal History and is a member of Masonic Orders in England and overseas.
